Monthly Reports and Correspondence

President's Remarks

Joel welcomed the four guests who were elected to the board effective in April.

Treasurer's Report

Peter presented a Financial Summary as of February, and distributed the financial report and balance sheet report. We are in good financial shape. We took in \$18,625 in income for budgeted items and spent \$36,269 for budgeted expenses. The large expenditure was \$14,898 for insurance to Weston insurance policy and Guide one insurance.

We should end the year with income of about \$288,000, which covers the projected budget expenses and transfers.

On the income side, we are below budget with the Sunday offering by about \$3,000, pledges around \$5,000 and \$800 in miscellaneous Income. This will be made up by the \$5,297 received this year for last year pledges and by the \$4,000 over budget for fundraiser activities.

On the expense side, we are over budget personnel \$1,800, General and Administrative costs \$3,400, and other cost \$1,300.

On the under budget side were facility cost by about \$1,000 and 7,500 in committee expenses (after net social activities' \$1,000 deficit)

Peter presented the minister's compensation package, which was adjusted to bring it in line with the church fiscal year and to reflects the recommended five percent increase in total compensation.

The Treasurer's financial report and balance sheet report are incorporated into the minutes as Attachment A.

Minister's Report.

Rev. Khleber presented his report and reviewed his activities during the past month.

Attachment A-Treasure's Report and Balance Sheet Report Attachment B-Membership List Report

Membership Report

In an effort to report to the Board of Trustees an accurate Membership Summary, last spring I endeavored to review our current 2014/15 Membership List to assess its accuracy, ie the list reflected active membership. I met with representatives of the Stewardship Committee and consulted the Caring Committee.

For this purpose I arbitrarily set up the following criteria for assessing "active membership"-

- Sunday attendance
- Financial support to UUCOV
- Participation on a committee
- Caring Committee involved with specific situation that indicated continued involvement with member appropriate to our mission

If any **one** of the above was present I counted the member as active.

For those who didn't meet one of the criteria I made an attempt to contact them through phone calls or emails. My intent was if they wanted to remain a member than they would be continued. Approximately 12 people were continued as members through their request.

I reviewed 2014/15 Membership List (150903) this November and consulted with Nan in relation to the Membership List accuracy with recent deaths and we believe the list to be correct. That membership number is 208.

From the November, 2014/2015 Membership list I recommend the following names for consideration for removal as there has been (1) no active participation and there has been (2) no contact or return of efforts to connect or (3) receipt of desire to terminate membership.

- Melinda Bissell (1) (2)
- Kemira Denlea (1)(2)
- Robin Henderson (!) (2)
- Karen Metzfield (1)(2)
- Jeffrey Weinberger
- Mary Bell
- Bonnie Jones

• Kate Thomas

I do understand our current policy/procedure indicates a letter would be forthcoming from the Board prior to a vote to remove membership. For that reason I have not sent a letter but my contact efforts have been phone and email. With the November Pathways we have added nine new members and 1 friend of record as of December 1st.

If we are to implement the above reductions our count is, as of December 1^{st,} 209.

I have not reviewed the "friend" status but it is approximately 18 who in addition to members support this church.

Linda Underwood.
