On June 10, 2017 President Dave Lyon sent a motion to the Board of Trustees to be voted on via email.

Motion: As a result of the increase in donations from the use of the donation boxes instead of the usual collection plate in the Sunday morning services, the Fiscal Team, the Finance Committee, and the Stewardship Committee recommend to the Board that the use of the donation boxes permanently replace the passing of a collection plate at Sunday services. The collection of funds for UUCOV supported charities will continue to be by the passing of the collection plate on one Sunday each month.

The motion was passed with 5 yes votes and 2 non-voting.
