Check in

No old business.

New business:

We now have Google Workspace for nonprofits.

Spring cleanup (outdoors). Some trimming is needed, but campus is not in bad shape. Some of the usual volunteers on Campus Team are not coming to Florida this year.

Restart—The Covid Taskforce will continue to watch statistics; they have not changed their recommendation to stay closed.

Maxine Barrett Park semiannual service—The Coordinating Council discussed whether or not to recommend that the Covid-19 Taskforce consider holding an outdoor service in the park this April. CC abstained from offering a recommendation.

Wishlist—A bench in memory of Marilyn Provenmire is being obtained. A Zoom memorial service will be held Saturday at 2pm. An email blast will be sent out so that anyone who wishes can attend virtually.

The meeting adjourned at 10:30am
