

Coordinating Council Meeting, May 4, 2021

In attendance:

Bill Dowling
Jack Head (chair)
Richard Cannarelli
Eileen Leapley
Barbara Buehring
Joel Morrison (via ZOOM)
Kathy Avery (via ZOOM)
Pam Palmer (via ZOOM)

Opening words/check -in

Old business:

We have a new web page. Google Workspace is now working. Salli is thinning out the email list, which currently has more than 700 subscribers. Committees have to go to the new web page and check out the information for their committee. Any necessary changes should be submitted to Salli. Salli adds events to the main calendar in Breeze and wants us to access all events through that calendar. We can create our own calendars, e.g., for ushering, under “create an event.”

New business:

Setting up locations for hybrid meetings – in person plus some people participating via ZOOM—was discussed. We will be hybrid from now on. The AV committee will prepare the sites.

The Sunday Morning team needs volunteers to help with the AV. Local technical colleges and high schools might be a good source of paid summer workers when seasonal congregants are gone.

UUCOV has “members,” “friends,” and “visitors.” To be a “Friend” of UUCOV currently requires donating money, which is not friendly. Some Friends of UUCOV donate their time rather than money. Our Policies and Procedures say that members are expected, not required, to make contribute funds annually. This is in our Policies and Procedures, not our Bylaws.

The Campus Team discussed the need to replace the blinds in the sanctuary. A new Social Activities team leader is needed.
