Old Business: Updates

New business:

- YRE is not ready to meet in person. Four youths are meeting for OWL in person, masked, in Asta Linder House, but no children are entering the Sanctuary.
- The proposal to hang an Earth flag donated by Marianne Koerner in the Sanctuary lanai was accepted. Barbara Buehring will work with Bill Dowling on determining its placement.
- There was a discussion of registering UUCOV with Amazon Smile so that shoppers can direct Amazon to send a percentage of their purchases to UUCOV. Pam would put an item about this in Connection.
- The Campus Team reports that landscaping maintenance has resumed now that we are back on campus. There are fewer members available to help with this work, so more of it will have to be contracted out in future.
- The church is in the process of hiring an IT/AV person to run the new A/V technology that has been installed.
- Ruth Boysworth proposed improvements to the Sanctuary kitchen that would include replacing the refrigerator, replacing the sink and faucets, and a new countertop. Some of the cost will be covered by a donation. Ruth estimates an additional \$3,000 would be needed. She will put the proposal in writing and send it to Bill Dowling.
- Ruth and Pam Palmer are working on a UUCOV re-opening party plus book sale to take place over a weekend in early November. Tom Voigt will advertise the first day of the sale as open to the public.
- Ruth will also paint the outdoors Free Lending Library.

The Council thanked Ruth for all her work on behalf of the congregation.

The meeting ended at 10:30 am with closing words from Rev. Khleber.
